Report of Principal and School Improvement Council

Creek Bridge High School is proud of its many accomplishments during the 2009-2010 school year. We continue to move forward academically, athletically, and socially. As a reward for our efforts, we received the Palmetto Gold Award for "Closing the Achievement Gap." We were also recognized by US News and World Reports as one of America's Best High Schools in 2010. We continue to implement the Education and Economic Development Act (EEDA), which is designed to increase student achievement, reduce dropouts, and better prepare students for post-secondary education and employment.

Our teachers continue to teach the content standards and emphasize reading and writing across-the-curriculum. We have implemented a balanced literacy curriculum to increase reading achievement. The continued use of the Measures of Academic Progress (MAP) program has given teachers an assessment tool that provides periodic reports of students' strengths/needs in the areas of mathematics, reading, language usage, and science. In data teams, teachers analyze the MAP results and provide differentiated instruction to increase student achievement. We also have credit recovery using Compass Learning.

Creek Bridge High School supports a mathematics competition team and an entrepreneurship team. Athletically, we include boys and girls in a strong program of football, basketball, baseball, track, and cheerleading. We have a variety of school-sponsored functions and after-school activities to foster a well-rounded education for our students. We face challenges as we continually seek ways to improve student achievement and home/school relationships. Our parents, students, teachers, and community members form a family focused on building and maintaining positive relationships. Our mission is to continue to prepare students to become lifelong learners and be able to compete in today's global society.
